IMPEACHMENT.

Ex-President Johnson's High Integrity and Honesty.

Highly Important Disclosures by Cornelius Wendell,

Twelve Weak Senators .-- Four of Them Bribed.

The New York Sun reporters interviewed Cornelius Wendell, at Washington, on Friday, in reference to the use of money in the impeachment West, Hancocking. He says: "I people west of town closed with a big into the expediency of increasing the was summoned by the friends of the fight among the participants, in which President to secure his acquittal. It seemed a foregone conclusion that he would be convicted, and I had given they would convict and let events take their course. I the trouble originated from a busing still believe that if they had convicted and removed Johnson, we would have elected our President last year. Johnson's triends thought 1 could manage son's triends thought 1 could manage.

The millinery store of Mrs. Barry.

The millinery store of Mrs. Barry, the House in some remarks which important the House in the Hou certain Senators who were committed for impeachment, and sent for me accordingly. I don't remember who I destroyed by fire to day. Loss, \$3000 of the deceased worthy. first saw, but I had a conversation with McCulloch, Randall, Seward and others. They seemed to think the matter could be got over easily. I told them it was desperate. They wanted to know how much it would cost to secure an acquittal. I told The Insurgents Get the Best of them it would cost a good deal of money. Couldn't say exactly, but probably one hundred and fifty thou-

handle the money. I don't know who received the money. I understand Randall raised some, and McCulloch Outbreak.

Tone of the Naw York Press on the Jority; and if it is thrown out, Davis will be elected by about the same some. A good deal was raised by outsiders. Henry B. Smythe raised A good deal that was raised never to the Tribune, from St. Paul, of this date, says that letters have been rewas given. People raised money, and was given. People raised money, and reported that it had been expended for counsel, but I doubt if counsel were ever paid a penny directly. The money went into the pockets of those who raised it. I told them it would cost one hundred and fifty thousand dollars. We knew that there were dollars. We knew that there were the Republican Senators who would be the form Pembina to the 16th, which state that the discomfliure or failure of Col. Dennis, of McDougail's staff, to enlist and arm Indians for the reorganization of the Territory, prescribing the duties of the Marshais and their deputies, and also the manner of selecting grand and petty jurors. Among its counsel to the Governor's three Republican Senators who would vote for acquittal from conscientious potives. With these we wanted provides. With these we wanted the insurgents were after him, but he shall hold office or be admitted to the constraint of all provides and persons. four more to secure acquittal. I got safely away from them. The letter says that death had been decreed the says that death had been decreed him if captured; this in revenge for promoted. Featured four that out of the Col. Dennis' efforts to influence the States Courts, and, on conviction, be four more to secure acquittal. tweeter we could certainly find four that Indians.

Indians.

The same letter says that a newspalin the penitentiary. would stick. We secured the four once the same letter says that a newspanse contest, but I did not handle the money, but I generally knew where of the insurgent cause, and will make its appearance on the 20th inst. The Senators remarks the repeal of which was asked for in the President's Message, is so little to provide the providence here. and two hundred thousand dollars. all hopes of seeing the promised land, not paid to the Senators directly, but to third parties, who were supposed to control the votes of individual Senators. In one case, thirty thousand dollars was paid to a certain man. He dollars was paid to a certain man. He returned a few days after and said that his Senator was too strongly committed for, impeachment, and didn't see how he could explain his didn't see how he could explain his vote if he should suddenly go for vote if he should suddenly go for acquittal. We argued the case with him, told him that Trumbull, Grimas parties leaving the United States appliand Fessenden would vote for acquittal from conscientious convictions, and that his Scuator had only to say that abler minds than his were convinced of the justice of acquittal, under the evidence adduced, and that af- toward our neighbors in Rupertsland, ble that a repeal will be carried in the ter mature deliberation and careful who have set up the standard of inde- House, examifation of testimony he felt that pendence and laid the cornera regard for his oath would not perstone of self-government, is to The Washington correspondent of in the principal cities were closed, mit him to vote for conviction. He observe strict neutrality in the the Baltimore Gazette says: It is no business was suspended, the flags insisted that it would kill him politically in his own State to vote for acquirtal, and he wouldn't do it. We provide a contest that may soon ensue. Contest that had no trouble in getting what votes we with the vast territory of Ruperts-wanted. Pomeroy offered himself to us land without making a fight for it. mitted" without drinking the very in the Legate letter long before, and we that fight cannot be made this winthe Legate letter long before, and we that fight cannot be made this winthe Legate letter long before, and we that fight cannot be made this winthe most destructive fire of many
the most destructive fire of many him, and when we found how cheep he movement of troops and munitions of to retrace her steps. Her new Scoutor years occurred here this morning at movement of troops and munitions of war, we left him go as not worth bying to get. The President Knew Nothing About 17. His friends were should be permitted to cross the States of Maine, Michigan, Wisconsin or how the case was going, and were saying to retrace her steps. Her new Sounter to retrace her steps were o'clock. The large brick stores on Salina street, owned by Gifford, the her steps were o'clock. The large brick stores on Salina street, owned by Gifford, the her steps were o'clock. The large brick stores on Salina street, owned by Gifford, the steps were o'clock. The large brick stores on Salina street, owned by Gifford, the steps were o'clock. The large brick stores on Salina street, owned by Gifford, the steps were o'clock. The large brick stores on Salina street, owned by Gifford, the steps were destroyed. anxions to do something to avert the the revolution in the settlements of delegation, in both Houses, in threatened conviction. Mr. McCulthreatened conviction. Mr. McCulthreatened conviction. Mr. McCulthreatened conviction. Mr. McCulthreatened conviction in the settlements of delegation, in both Houses, including Brownlow, will be expelled in effect. The process, like that in the money, but he gave in when he saw nists to loyal subjection. Let them case of the Georgia members of the has come to light where a gentleman the danger of losing his office. Mr. transport troops and supplies through House, is very simple. The respective clerks of the two Houses will be can Republic, who was deputed to whatever was necessary. Mr. Seward also looked at matters in a business-like way. I guess the rest of the administration were lest in the dark, I know the President was, and am satisfied he would not have allowed any money to be used if he had known it. I know about the proposition to acquit Mr. Johnson, which came in the form of a wager, and our folks were fools not to Texas to be Divided Into Three take the bet. I tried to urge them to raise the money, \$50,000, and accept the bet, which I fully understood to be a direct proposition to acquit the President for that amout, but McCul-loch and Seward were afraid there was some eatch in it. No money was raised to accept that wager that I know of. There was money raised over all the country, osmusibly to secure Mr. Johnson's acquital, but only a very small portion of it was ever used for the purpose for which it was given. That raised by Henry B. Smythe in New York, never reached Washington. Webster, the Baltimore collector, raised a lot which he swore was paid to counsel. I would like to know to what counsel. None of those employed in the case ever received it Webster, of New York, had nothing to do with it, and I do not Woolley had any connection with it. I think that the money that Woolley had was a pool which he held with Speed, Hook and others, to influence whisky legislation. That money was taken by Rans Van Valkenburg from Wootley, when they were all on a big spree together Shelley, at the Metropolitan, and it was lying there when the vote was taken. It could not have been intended for use in securing the acquittal, and certainly was never so used, and I afterward saw Van Valkenburg withdraw and count the money from Sheliey's hands. There was \$171,000 of it. Where it came from I never knew nor what it was for. Gen. Butler never reported the testimony he took on the investigation, and therefore I don't know posi- Funeral of the Late Judge of the tively what facts were brought out. The investigation was about as square as anything of the kind usually is. Butler knew how matters stood. He didn't care a pin for the acquittal, or for what Johnson's friends had done. His game was to get at the fellows that offered that \$50,000 bet. He lows that offered that \$50,0 failed in that, and so he smothered Among those present were President the whole matter. Pomeroy's Legate letter will genuine; I copied and certified it for Randall. There can be no tified it for Randall. There can be no doubt the letter was wriften by Pomeroy, and was a bid from him to get into favor with the administration, but the administration distrusted him. He was too ready and overshot the mark. I don't remember that I ever had an offer from Rather to sell inform. had an offer from Butier to sell information to the Radicals, nor any offer of the deceased. The mother of Judge ation to the Radicals, nor any offer of \$100,000. I am quite certain that Trumbull, Grimes and Fessenden voted from conscientious motives. I don't believe the President kad any conferences with Senators about voting, and it would have been contrary to his and it would have been contrary to his and the president to the President
